Caunadi,

This exhibition is sponsored by "The Christchurch Star" and organised by the Canterbury Art and Craft Branch of the Education Department. It is one of the most popular exhibitions of the year and many of the prominent young artists of today first attracted attention in it. The Society's medal was awarded to the "Star" last year for sponsorship of this worthwhile exhibition.

KEES HOS - Tuesday 25th August to Sunday September 6.

Your invitation to the opening of this Exhibition is enclosed. Kees Hos is an outstanding print maker; without any doubt one of the finest artists working in New Zealand today. A student at the Royal Academy of Fine Arts, the Hague, he was awarded a Prix de Rome in graphic arts. He has exhibited and travelled widely, taught in Holland and at the Elam School of Fine Arts, Auckland, and he has been "featured" on N.Z. television.

SPRING EXHIBITION FOR ASSOCIATE WORKING MEMBERS

This exhibition announced in our last Newsletter, will begin on Tuesday, September 22 with a 5 o'clock "opening".
