An Evening of Joy with the

“DUO-ART” PIANOLA PIANO

DINNER is over, the flickering firelight peoples the room with strange shadows, and your mood turns towards music. Now is the time when you will most appreciate the beauties of the “Duo-Art.” Now the dreamy loveliness of a Chopin Nocturne, played by the great Pachmann, will most appeal to you, the fire of the incomparable Paderewski thrill with the glory of his genius, and in turn Cortot, Bauer, Busoni, and a host of other world-famous pianists will come to entertain you—to cheer and inspire you with the best that music holds

No other instrument to-day will bring such pleasure and refined entertainment into your home as the “Duo-Art.”
They are sold on Easy Terms.
